Seasonable Coats Underpriced for This Sale

Handsome Plush Coats, Values to \$65

Luxurious long silky plush makes the coats in this group the rival of the most costly plushes. Glossy in finish and finely made they are wonderful examples of the maker's art. Linings of rich silks and satins in pleasing colors, together with trimmings of fine furs, fires one with the desire to dare the coldest winter days.

At the extremely low price, together with the usual Prager standard of quality, they present the opportunity for huge savings.

Luxurious Cloth Coats, Values to \$85

There is something altogether compelling about these luxurious coats which makes them uncommonly hard to resist-a new richness of coloring, a new depth to the soft fabrics, a new grace of line, a new unrestrained use of fur, an air of assured becomingness, of nonchalant beauty and unusually low pricings.

With such rich fabrics as panyelaine, orlando, moussyne, duvetyne, ermine and gerona, expert workmen couldn't have done otherwise than to fashion these coats into the most charming models of the season.

\$4Q.50

Finest Cloth Coats, Values to \$125

That fabric alone could convey so much of luxurious beauty would be incredible if we had not these wonderful coats before us. To the wonderful softness of pliable materials and unqualified excellence of tailoring are added rich furs in both comfort giving and decorative modes. Luxuriousness and style is carried to a degree rarely encountered

The Revolt of Vera Sanderson

the quite almosphere of her simple of lage, I could not keep be a the ears. I felt I said found a place where I could reat, and where I could reat, and where I would think out my futice.

"You are Mrs Brown, she looked to me hind!"

"A widow."

I heritated Rheald tiell has the rath. I decided on That it would harm no rote to may I wan knowed. So I said.

"Yes," my biach clother bearing no out.

We wanted up a flower herdered with to the door. She had come to he gate to see who her eather might be. Then into the little partor with to hair cloth furnitine and rag rugs, to each mashe curtains, and my air.

Tonuerow—A New and a Disturb-

State Briefs

Wish to Abandon Plant.

KUSA—The local light and water company asks permission of the corporation commission to abandon its plant here, alleging that the business is running at a great loss. The initial investment was \$1,800, and the town for the year lost closed is alleged to be \$123.00. The plant was established in \$126, while the town had a musticoun growth and had smelters with large war contracts. When peace arrived the amelters closed down, workmen moved away, 65 houses were seld for removal, and the company new has 14 customers with a monthly income of about \$21.

Police Character Stabbed.

INCOS—Clemmia Reed, colored, who has been arrested several times on various charges and is reputed to be an immoral character, was stabled and seriously infored Saturday night. She refused to give any details and stated she did not know how it occurred or who wielded the knife. No charges have been filed.

Strike Holds Up Plans.
PAWHUSEA—Work on the Santa. Wish to Abandon Plant.

exonerated by a jury in district court Monday. The indistrict is alleged to be the aftermath of a raid by po-lice on a fraternal clubroom where a number of persons were playing cards for money.

Strike Holds Up Plans.

PAWHUSKA—Work on the Santa
Fe line from Canes. Kan., to this
point, which was 1. have started
this fail, has been held up on account of the proposed railway strike
and general labor conditions. It is
stated, however, on authoritative
sources, that the building of the
line is assured at a later date.

FAIRFAN—The roadhouse eight
miles north of this place was raided
thy a foderal murchal and his deputy
early in the week. Thirteen pints of
Farm Club School.

ranker before and one gallon of splice were taken by the officers and later another gallon was added to the spoils. The officers took a man named Hodge, said to hall from Pawhuska, as the owner.

To Exterminate Boll Weevil.

ATOKA—As a part of a plan to exterminate boll weevil in the cotton of Aloka county next year, farmers will meet here Friday to discuss ways and means of carrying out an educational campaign.

No Hired Men on Ferms.

CLINTON—Farmers of Custer county are doing their own work this year and it is doubtful if any

No Hired Men on Farms.

CLINTON—Farmers of Custer country are doing their own work this year and it is doubtful if any hired aid will be obtained this window, sounty sterk, indicted by the grand country agent.
